

Unified Communication Framework Projects
Entity Contributor License Agreement
(v2.0)

Thank you for your interest in contributing to one or more of Unified Communication Framework Consortium's ("UCF") Projects ("Project(s)"). In order to clarify the intellectual property license granted with Contributions from any person or entity, the Project(s) respective copyright holders (the "Copyright Holders") must have this Contributor License Agreement ("CLA") on file that has been signed by the Entity Contributor (as defined below) and countersigned by a representative of the Copyright Holders, indicating agreement to the license terms below. This license is for your protection as an Entity Contributor as well as the protection of the Copyright Holders and their users; it does not change your rights to use your own Contributions for any other purpose. This CLA is effective as of the date of counter-signature by a representative of the Copyright Holders ("Effective Date").

This version of the CLA allows your company (the "Entity Contributor", "You" or "Your", as also further defined herein) to submit Contributions (as defined herein) to the Copyright Holders, to authorize Contributions submitted by its designated employees to the Copyright Holders, and to grant copyright and patent licenses thereto.

Please complete and send an original signed CLA to UCF Alliance Administration, c/o VTM, Inc., 3855 SW 153rd Drive Beaverton, OR 97003, USA. Please read this document carefully before signing. After you submit the signed version UCF Alliance Administration will return a counter-signed version and the CLA will then become effective. Do not make any Contribution prior to the Effective Date. Please keep a copy of the fully executed CLA for your records.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the Copyright Holders. In return, the Copyright Holders shall not use Your Contributions in a way that is contrary to the public benefit. Except for the license granted herein to the Copyright Holders and recipients of software distributed by the Copyright Holders, You reserve all right, title, and interest in and to Your Contributions. Copyright Holders reserve the right to refuse to accept any of Your

contributions in Copyright Holders' sole discretion. Further, Copyright Holders reserve the right to restrict Your participation in any of Copyright Holders' scheduled working group or other meetings and may suspend or terminate this CLA in accordance with applicable law.

1. Definitions.

"You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that executes this CLA with the Copyright Holders. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"Contributor" shall mean any entity or individual that has signed a CLA with Copyright Holders.

"Contribution" shall mean the code, documentation or other original works of authorship expressly identified in Schedule A, as well as any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to the Copyright Holders for inclusion in, or documentation of, any of the products of the Project(s) owned or managed by the Copyright Holders and freely made available to others under the BSD-3 license (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Copyright Holders or their representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Copyright Holders for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License. Subject to the terms and conditions of this CLA, You hereby grant to the Copyright Holders and to recipients of software distributed by the Copyright Holders a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.
3. Grant of Patent License. Subject to the terms and conditions of this CLA, You hereby grant to the Copyright Holders and to recipients of software distributed by the Copyright Holders a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to

which such Contribution(s) were submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this CLA for that Contribution or Work shall terminate as of the date such litigation is filed.

4. You represent that You are legally entitled to grant the above license. You represent further that each employee of the Entity Contributor that makes any Contribution after the Effective Date is authorized to submit Contributions on behalf of the Entity Contributor.
5. You represent that each of Your Contributions is Your original creation (see Section 7 for submissions on behalf of others).
6. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.
7. Should You wish to submit work that is not Your original creation, You may submit it to the Copyright Holders separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".
8. It is your responsibility to notify the Copyright Holders when any change is required to the list of designated employees authorized to submit Contributions on behalf of the Entity Contributor, or to the Entity Contributor's Point of Contact with the Copyright Holders.
9. You agree that this CLA shall supersede and replace any prior version of this CLA.
